

ATHENA
GROUP OF INSTITUTIONS

PROSPECTUS

**EMPOWERING MINDS,
ENRICHING CAREERS**

NIGHTINGALE PLEDGE

"I solemnly pledge myself before God and in the presence of this assembly, to pass my life in purity and to practice my profession faithfully. I will abstain from whatever is deleterious and mischievous and will not take or knowingly administer any harmful drug. I will do all in my power to maintain and elevate the standard of my profession and will hold in confidence all personal matters committed to my keeping and all family affairs coming to my knowledge in the practice of my calling. With loyalty will I endeavour to aid the physician in his work and devote myself to the welfare of those committed to my care."

THE ATHENA LEGACY

At Athena Group of Institutions, we believe in the power of education to transform lives and communities. The foundation of our institute was laid by a dedicated team with a shared vision to empower individuals to become skilled professionals who excel not only in their chosen fields but also as responsible, forward-thinking global citizens.

Our mission is to provide an environment that nurtures growth, encourages innovation, and fosters a commitment to excellence. Through world-class education and industry-focused training, we aim to equip our students with the skills, knowledge, and confidence needed to thrive in today's fast-paced, ever-evolving world.

We subscribe to the belief that "The function of education is to teach one to think intensively and critically. Intelligence plus character – that is the goal of true education." Our commitment to quality and excellence goes beyond textbooks – we strive to cultivate holistic development, preparing students for the challenges and opportunities of the future.

Under the leadership of our visionary Chairman, Mr. Wasif Nisar, and with the support of a dedicated team, Athena Group of Institutions continues to set new standards in professional education. Our focus is on shaping individuals who are not only proficient in their disciplines but also contribute to societal advancement with passion, integrity, and leadership.

At Athena, we are committed to providing a 360-degree education that goes beyond academic achievements to include character building, professional ethics, and life skills, ensuring our students are ready to excel in every aspect of their careers and lives.

Our Vision

At Athena Group of Institutions, we aspire to create a transformative impact by nurturing skilled professionals across diverse fields, including Healthcare, Nursing, Physiotherapy, Business Management, Hospitality, and Technology etc. Our vision is to foster socially meaningful education, innovation, and research while upholding the highest standards of moral, legal, and ethical values. We are dedicated to shaping future leaders who will contribute to building a better, more inclusive, and globally connected world.

Our Mission

- To inspire holistic growth and development across all disciplines by seamlessly integrating academic excellence with co-curricular and extracurricular engagement.
- To create a dynamic and supportive learning environment that empowers students to explore their passions, exceed their potential, and become leaders in their fields.
- To deliver education rooted in quality, ethics, and values, equipping students with a global perspective and professional acumen.
- To prepare future-ready graduates who can adapt to evolving challenges and make meaningful contributions across industries, including healthcare, management, technology, and hospitality.
- To nurture leadership, critical thinking, and a sense of responsibility, enabling students to lead with confidence, integrity, and compassion.
- To foster innovation and excellence by bridging education, research, and real-world application through interdisciplinary collaboration and forward-thinking partnerships.
- To shape socially conscious professionals who are committed to creating a positive impact and addressing the ever-changing needs of a global society.

Our Objectives

Here are the key objectives that guide Athena Group of Institutions in achieving its mission of holistic education and excellence:

1. Balance academic excellence with personal development.
2. Prepare students with practical, job-ready skills.
3. Foster leadership grounded in integrity and social responsibility.
4. Inspire creativity and problem-solving through innovative education.
5. Prepare students for diverse, global opportunities.
6. Offer guidance, internships, and networking to enhance career prospects.
7. Promote collaboration and contribute to global challenges.
8. Offer state-of-the-art resources for intellectual growth.
9. Encourage contributions to society and global communities.
10. Build leadership and teamwork through diverse activities.

CHAIRMAN'S MESSAGE

At Athena, our mission is simple – to empower students to become skilled professionals and compassionate leaders. We are here to help you turn your dreams into reality by providing education that meets international standards and prepares you for the real world.

Whether you're stepping into healthcare, business, management, hospitality, or technology, we've designed our programs to give you the knowledge, hands-on experience, and confidence you need to thrive in your career.

But we're about more than just academics. At Athena, we believe in shaping well-rounded individuals who are not only experts in their fields but also ethical, responsible, and ready to contribute to society. Our world-class faculty, modern facilities, and supportive learning environment are all here to help you grow – academically, professionally, and personally.

Education is a journey, and we are here to guide you every step of the way. It brings me immense pride to see our students graduate, stepping into the world with skills, values, and the drive to make a difference.

I invite you to join us and become part of the Athena family, where we are shaping the future, leaders at a time.

Wishing you great success in your journey ahead!

WASIF NISAR
Chairman

VICE-CHAIRMAN'S MESSAGE

Hello, dear students and parents,

At Athena Group of Institutions, we firmly believe that learning is a lifelong journey—and we are here to make it both meaningful and accessible for everyone. Whether you've joined us for nursing, management, pharmacy, hotel management, or any of our other exciting programmes, we're committed to prepare you for life beyond the classrooms.

We provide a supportive environment with cutting-edge infrastructure designed for hands-on learning. Our curriculum goes beyond theory, focusing on practical knowledge, critical thinking, and intellectual growth. It's all about equipping you to handle real-world challenges with confidence.

Remember, once you're part of Athena, you're family. "Once an Athenian; Always an Athenian." Together, let's make this journey unforgettable.

MASOOD HUSAIN
Vice-Chairman

PRESIDENT'S MESSAGE

Dear Students,

Thank you for considering the Athena Group of Institutions as the foundation for your future. It's an honour to welcome you to our family, where we are committed to helping you achieve your dreams and build a thriving career.

At Athena, we take pride in combining academic excellence with professional learning. Our mission is to nurture your talent, empower your intellect, and provide you with the tools to make a meaningful impact on the world. Every student

who joins us comes with hopes and aspirations for a brighter future, and we work tirelessly to ensure those dreams are realised.

At the Athena Group of Institutions, you'll find a vibrant environment that fuels creativity, leadership, and personal growth. Our programmes are thoughtfully designed to challenge and support you, blending innovative curriculum with hands-on learning to ensure you're ready for the professional world.

I look forward to meeting you and witnessing your journey of growth and success.

MD. SULAIMAN S H
President

SECRETARY'S MESSAGE

Dear Students,

It is my pleasure to welcome you to the Athena Group of Institutions—a place where your journey toward a fulfilling and rewarding career begins.

At Athena, we believe in the transformative power of education to shape not just careers but lives. Whether you aspire to lead in healthcare, management, allied sciences,

or any of the diverse fields we offer, you've chosen a path that combines passion with purpose.

We are deeply committed to providing an exceptional academic environment where students receive world-class exposure and holistic development. With state-of-the-art facilities, experienced faculty, and a strong emphasis on values, Athena offers an unparalleled learning experience.

At Athena, we foster a safe, inclusive, and supportive atmosphere where every student can thrive intellectually and personally. I warmly welcome all aspiring students to join us and promise that together, we will help you to build a future that you can be proud of.

Here's to a journey of growth, success, and limitless possibilities.

DEEPAK PATEL
Secretary

DIRECTOR'S MESSAGE

I'm so glad you're considering us for your future. At Athena, we've always been committed to providing top-notch education, and we're thrilled to share that we now offer a wider variety of programs than ever before. Whether you're interested in healthcare, business, technology, or creative fields like graphic design and hotel management, there's something for everyone here.

These are exciting times, and the opportunities available to students are more abundant than ever. We've worked hard to make sure our programs align with global standards and are designed to equip you with the skills you need to succeed—no matter where your career journey takes you. Whether it's nursing, business administration, or any other field, we are here to help you

develop both the knowledge and hands-on experience needed for success.

So, take the leap! We're excited to be part of your journey and can't wait to see where your hard work and determination will take you. The future is yours for the taking, and we're here to help you make it happen.

All the best for your journey with us. Let's make it a great one!

PRASHANT KUMAR
Director

MARKETING DIRECTOR'S MESSAGE

Hello and welcome to Athena Group of Institutions, Bangalore!

It's an absolute pleasure to have you here. At Athena, we've built a strong reputation as one of the top institutions, not just in nursing, but in a wide range of fields. We are committed to providing education that meets international standards, and I'm excited to be part of this incredible journey with you.

When Athena was founded, our vision was clear: to prepare skilled professionals who would improve healthcare through top-quality education. This vision drives everything we do, and we're constantly evolving to make sure we provide the best possible learning experience for all our students.

Our curriculum blends excellent teaching with real-world application, ensuring that you gain both theoretical knowledge and hands-on skills. We're especially focused on making sure our nursing students along with students from all our other programs are well-prepared to bring technological advancements into their work, staying ahead in an ever-changing world. If you're looking for a place that will challenge you, help you grow, and prepare you for a meaningful career in healthcare, business, technology, or any other field, you've come to the right place. Athena is where you'll find endless opportunities to learn, grow, and become the best version of yourself.

I look forward to seeing you thrive here and to support you as you step into a future full of exciting possibilities!

TLEMTY PONGEN
Marketing Director

ACADEMIC DIRECTOR'S MESSAGE

Hello and welcome to the world of healthcare and beyond!

Healthcare isn't just a career—it's a calling. It offers stability, respect, and the opportunity to make a real difference in the lives of others. At Athena, we don't just aim to groom good nurses; we work with all our students to ensure they grow into leaders in their fields—whether that's in healthcare, business, management, or other areas.

We believe in treating our students like family, supporting them through every step of their journey, and fostering their personal and academic growth. We're proud to innovate and evolve constantly, ensuring our programs remain

relevant and impactful in today's fast-changing world.

I'm excited to watch you succeed in your chosen field and see the amazing contributions you'll make in the future.

SOMROOP MUKHERJEE
Academic Director

INTERNATIONAL RELATIONS DIRECTORS

MESSAGE

Welcome to Athena Group of Institutions! We are delighted to have you as part of our ever-growing global community.

At Athena Group of Institutions, we believe that education goes beyond the classroom. It's about preparing students for real-world experiences, broadening perspectives, and creating opportunities that extend across borders.

In today's world, international exposure isn't just an extra benefit—it's becoming essential for career growth. Whether you're a student looking to explore global opportunities or a parent seeking the best education for your child, we understand your aspirations. That's why we have built strong partnerships with universities, healthcare institutions, and organisations worldwide to provide our students with global learning experiences. Through exchange programmes, international internships, and collaborative research opportunities, Athena students get a chance to gain hands-on experience in diverse environments. This not only enhances their academic learning but also helps them develop the confidence and skills needed to thrive in a global career.

Together, let us embark on a journey that transforms education into a truly global experience.

EHSAN KAPPIL

International Relations Director

ADMISSION OFFICER'S

MESSAGE

Dear Prospective Students and Parents,

Thank you for considering the Athena Group of Institutions! We're thrilled to welcome aspiring students who are ready to take on the challenges of higher education. Whether you're interested in healthcare, business, technology, or other fields, we're here to guide you toward achieving your dreams.

We're looking for students who are passionate, curious, and ready to put in the hard work required to excel. Whether

you're preparing for a career in nursing or any other area, we provide the support and resources to help you succeed.

At Athena, we aim to offer you the best educational experience possible—whether it's through state-of-the-art facilities, hands-on learning, or extra-curricular opportunities. We're here to help you achieve your academic goals and prepare you for a fulfilling career ahead.

I can't wait to see you grow and shine at Athena!

DEEPAK SHARMA

Admission Officer

PRINCIPAL'S MESSAGE

Hello and welcome to Athena Group of Institutions!

In today's fast-evolving healthcare and education sectors, we believe that the core of any successful profession is quality education. Nurses, especially, play an incredibly vital role in healthcare, offering care, comfort, and expert attention to patients 24/7. Since the pandemic, the need for well-trained, compassionate nurses has only grown.

Our College of Nursing, established in 2018, has received accreditation from prestigious organizations like the Indian Nursing Council, Karnataka Nursing Council, and Rajiv Gandhi University of Health Sciences. But our commitment doesn't stop there. We constantly innovate our teaching methods, combining hands-on experience with extracurricular activities to ensure that our students are not only ready for a successful career but are well-rounded individuals.

At Athena, we're proud of our students, who go on to make a meaningful impact in their fields, whether that's in healthcare, business, or other vital sectors. I'm excited to see what each one of you will achieve here.

Wishing you all the best for a bright future ahead!

SUNITHA CALVIN
Principal

VICE-PRINCIPAL'S MESSAGE

Welcome to Athena Institute of Nursing and beyond!

It's my pleasure to welcome you and your family to our community. At Athena, we believe in the power of learning through hands-on experiences, and each day brings a chance to grow and make an impact.

Whether you're pursuing a career in nursing, healthcare, or other disciplines like business or technology, our goal is the same: to provide you with the training, knowledge, and confidence to overcome challenges and succeed in your chosen career. We aim to nurture professionals who will bring positive change to the world.

I'm excited to see you embark on this journey of growth and learning. The world is waiting for your light to shine, and at Athena, we're here to help you do just that.

MANJU JOSE
Vice-Principal

NURSING

GENERAL NURSING AND MIDWIFERY (GNM)

Duration: 3 Years

Eligibility: Passed 10 + 2 with English and must have obtained a minimum of 40% at the qualifying examination and English individually for any recognized board.

The General Nursing and Midwifery (GNM) program is a three-year diploma designed to prepare students for a career in patient care. It provides in-depth training in clinical nursing, medical procedures, and healthcare ethics.

The program combines classroom learning with hands-on clinical experience, ensuring that graduates are well-equipped to handle diverse medical situations. GNM graduates play a vital role in hospitals, clinics, and community healthcare by assisting doctors, managing patient care, and educating the public on health practices.

OBJECTIVES

To equip students with the essential knowledge and skills required for professional nursing practice.

To develop expertise in patient care, medical assistance, and emergency response.

To foster ethical values, empathy, and strong communication skills in nursing professionals.

To prepare graduates to adapt to evolving healthcare challenges and provide high-quality patient care.

To encourage continuous learning and career advancement in the nursing field.

GNM graduates have a wide range of opportunities in the healthcare sector, including hospitals, nursing homes, health departments, and NGOs.

Staff Nurse: Provide direct patient care in hospitals and clinics.

Home Nurse: Offer medical support and assistance to patients at home.

Health Visitor: Conduct community health programs and awareness campaigns.

Community Health Worker: Work in public health initiatives and rural healthcare programs.

NURSING

BASIC B.Sc. NURSING

Duration: 4 Years

Eligibility : Passed 10+2 with 50% marks in science subjects (Physics, Chemistry, Biology - Botany/Zoology) SC/ST candidates should have scored a minimum of 40% marks in science subjects

The Basic Bachelor of Science in Nursing (B.Sc. Nursing) is a four-year undergraduate program designed to develop competent and compassionate nursing professionals. The program provides students with the necessary knowledge and clinical skills to deliver high-quality nursing care across diverse healthcare settings.

It emphasises a holistic approach to patient care, covering disease prevention, health promotion, and rehabilitation. This program aims to cultivate a professional attitude and equip students with the expertise to assess and manage the nursing needs of individuals, families, and communities at all stages of life.

OBJECTIVES

To provide a well-balanced professional and general education in nursing.

To develop skilled and self-directed nursing practitioners who are also responsible citizens.

To assess and address the healthcare needs of individuals, families, and communities from birth to end-of-life care.

To ensure patient safety and deliver comprehensive nursing care tailored to different health conditions.

To focus on illness prevention, health restoration, and rehabilitation.

CAREER OPTIONS AND JOB PROSPECTS

Staff Nurse: Work in hospitals, clinics, and healthcare centres, providing direct patient care.

Nursing Educator: Teach and train aspiring nursing students in academic institutions.

Community Health Nurse: Serve in public health programs, promoting wellness and disease prevention.

Critical Care Nurse: Work in intensive care units (ICUs) and emergency departments.

Nurse Administrator: Manage healthcare units and oversee nursing staff operations.

NURSING

POST BASIC B.Sc. NURSING

Duration: 2 Years

Eligibility :

Passed General Nursing and Midwifery (GNM)

**Registered as a nurse and midwife (R.N.R.M.)
with the State Nursing Council**

**Must have completed 10+2 or an equivalent
qualification. Candidates belonging to SC/ST categories
must meet the minimum eligibility criteria as per
regulatory guidelines**

The Post Basic B.Sc. Nursing is a two-year undergraduate program designed for diploma-holding nurses to enhance their knowledge and skills in professional nursing practice. It builds upon the foundation of General Nursing and Midwifery (GNM), equipping students with advanced concepts in nursing care, healthcare management, and leadership.

The program focuses on providing comprehensive patient care, evidence-based practice, and critical thinking skills to prepare nurses for higher responsibilities in diverse healthcare settings. Moreover, this program blends theoretical learning with hands-on clinical training. It covers essential subjects such as nursing administration, community health nursing, research methodologies, and specialised patient care techniques.

OBJECTIVES

To enhance clinical competence through advanced nursing education

To develop skills in nursing administration, education, and research

To strengthen leadership and management abilities in healthcare settings

To improve critical thinking and decision-making in patient care

To promote community health, preventive care, and public health initiatives

CAREER OPTIONS AND JOB PROSPECTS

Staff Nurse: Provide direct patient care in hospitals and clinics

Nurse Educator: Train nursing students in academic institutions

Nursing Supervisor/Administrator:
Manage nursing units in hospitals and healthcare facilities

Community Health Nurse: Work in public health programs and rural healthcare services

Research Nurse: Contribute to clinical research and nursing studies

Occupational Health Nurse: Work in corporate and industrial healthcare sectors

NURSING

M.Sc. NURSING

Duration: 2 Years

Eligibility

**Completed B.Sc. Nursing or Post Basic B.Sc. Nursing from a recognised institution
Registered as a Nurse and Midwife (R.N.R.M.) with the State Nursing Council
Minimum one year of work experience after B.Sc. Nursing (not required for Post Basic B.Sc. Nursing graduates)**

The Master of Science in Nursing (M.Sc. Nursing) is a two-year postgraduate program that provides specialised training in advanced nursing practices, research methodologies, and healthcare leadership. This program equips nurses with in-depth knowledge and hands-on experience in various specialisations such as Medical-Surgical Nursing, Paediatric Nursing, Obstetric and Gynaecological Nursing, Community Health Nursing, and Psychiatric Nursing.

The program focuses on evidence-based practice, clinical expertise, and healthcare innovation. It prepares graduates for leadership roles, teaching positions, and research opportunities in hospitals, universities, and public health sectors, contributing to the advancement of the nursing profession.

OBJECTIVES

To develop expertise in advanced nursing practice and patient care management

To enhance skills in nursing education, administration, and research

To promote evidence-based practice and encourage critical thinking in clinical decision-making

To strengthen leadership and healthcare management abilities in diverse healthcare settings

To prepare nurses for academic roles and policy-making contributions in nursing and public health

CAREER OPTIONS AND JOB PROSPECTS

Clinical Nurse Specialist: Provide expert care in a chosen specialisation

Nursing Educator: Train future nurses in academic institutions

Nursing Administrator: Manage and lead healthcare teams in hospitals and healthcare facilities

Research Nurse: Conduct clinical research and contribute to healthcare advancements

Public Health Nurse: Work in community health programs and policy-making

Nurse Consultant: Offer expert guidance in hospitals, healthcare organisations, and government agencies

PHYSIOTHERAPY

BACHELOR OF PHYSIOTHERAPY (BPT)

Duration : 4 Years + 6 Months Compulsory Internship

Eligibility : Passed 10+2 with 40% (Physics, Chemistry, Biology & English)

The Bachelor in Physiotherapy (BPT) program focuses on the science of physical movement and its application to restore mobility, enhance physical function, and promote overall well-being. The course integrates classroom learning with hands-on clinical training, including a mandatory six-month internship, enabling students to gain practical experience in patient care.

Physiotherapy graduates are equipped with skills to assist patients in injury rehabilitation, pain management, and improving their quality of life. The program emphasises the importance of preventive care, injury prevention, and health promotion, making physiotherapists indispensable in healthcare and wellness sectors.

OBJECTIVES

To provide students with in-depth knowledge of human anatomy, physiology, and therapeutic techniques.

To train professionals capable of rehabilitating physically challenged individuals.

To prepare students to promote health, prevent injuries, and improve physical fitness.

To foster critical thinking, problem-solving, and compassionate patient care.

CAREER OPTIONS AND JOB PROSPECTS

Physiotherapy graduates have diverse career opportunities in sectors such as defence, sports, rehabilitation centres, fitness institutes, and private clinics. They can pursue roles like:

Physiotherapist in hospitals, clinics, or rehabilitation centres.

Sports Physio Rehabilitator for professional athletes and teams.

Self-employed private physiotherapist managing individual clients.

Defence Medical Establishment Physiotherapist.

Osteopathy specialist focusing on musculoskeletal health.

ALLIED HEALTH SCIENCE

B.Sc. MEDICAL LABORATORY TECHNOLOGY

Duration : 3 Years + 1 Year Internship
Eligibility : Passed 10+2 with Physics, Chemistry, Biology, Mathematics, and English

The Bachelor of Science in Medical Laboratory Technology (B.Sc. MLT) is a comprehensive undergraduate program that equips students with the knowledge and skills required to excel in medical laboratory science. This field plays a pivotal role in healthcare by focusing on the diagnosis, treatment, and prevention of diseases through clinical laboratory tests.

Medical laboratory technologists work behind the scenes, providing critical data for patient care and health decisions. This program combines theoretical knowledge with practical training, enabling students to perform various diagnostic tests and analyses in advanced laboratory settings.

OBJECTIVES

To develop proficiency in conducting clinical laboratory tests with accuracy and reliability.

To instill a strong understanding of laboratory safety, ethics, and protocols.

To enable students to analyse and interpret laboratory results for disease diagnosis.

To prepare graduates for diverse roles in healthcare institutions and research settings.

CAREER OPTIONS AND JOB PROSPECTS

Medical Laboratory Technician: Conduct diagnostic tests and maintain lab equipment.

Clinical Laboratory Technician: Specialise in clinical diagnostics in hospitals or clinics.

Lab Technologist: Operate sophisticated lab equipment and manage lab operations.

Biochemist: Work in biochemistry labs, focusing on disease research and drug development.

Medical Phlebotomist: Specialise in blood collection and preparation for analysis.

ALLIED HEALTH SCIENCE

B.Sc. MEDICAL IMAGING TECHNOLOGY

Duration : 3 Years + 1 Year Internship
Eligibility : Passed 10+2 with Physics, Chemistry, Biology, Mathematics, and English

The Bachelor of Science in Medical Imaging Technology is a four-year program (including one year of internship) designed to prepare students for a dynamic career in clinical radiography and imaging technology. The course provides comprehensive knowledge in advanced imaging methodologies, radiation safety, and specialised diagnostic techniques. Students will gain expertise in utilising various imaging modalities and technologies to assist in diagnosing and treating medical conditions.

OBJECTIVES

To equip students with advanced knowledge of imaging principles and methodologies.

To train students in the safe and effective use of radiological equipment.

To provide practical experience in specialised diagnostic techniques and radiological technology.

To prepare students for leadership roles in clinical radiography and imaging research.

CAREER OPTIONS AND JOB PROSPECTS

Medical Image Analysis Scientist:

Specialises in analysing medical images to support diagnosis and treatment.

Radiographer: Operates imaging equipment to create diagnostic images for physicians.

X-ray Technician: Focuses on producing X-ray images for diagnostic purposes.

Imaging Research Manager: Conducts and manages research in advanced imaging techniques and technologies.

ALLIED HEALTH SCIENCE

B.Sc. ANAESTHESIA AND OPERATION THEATRE TECHNOLOGY

Duration : 3 Years + 1 Year Internship
Eligibility : Passed 10+2 with Physics,
Chemistry, Biology, Mathematics, and English

The B.Sc. (Hons) in Anaesthesia and Operation Theatre Technology is a comprehensive program designed to equip students with the essential skills and knowledge needed to excel in the fields of anaesthesia and operation theatre technology. The program offers a robust curriculum that blends theoretical learning with practical exposure, ensuring that students are well-prepared to handle real-world scenarios in the healthcare sector.

OBJECTIVES

Anaesthesia technology, surgical procedures, patient care, and operation theatre management

hands-on training, allowing students to gain valuable experience in state-of-the-art simulation labs and real clinical settings

Monitoring anaesthesia, ensuring patient safety during surgery, managing operation theatre equipment

Providing critical support to surgeons and other healthcare professionals.

CAREER OPTIONS AND JOB PROSPECTS

OT Technician/Anesthesia Technician:

These roles involve assisting in preparing and maintaining the operating room, supporting the anesthesia team during surgeries, and ensuring patient safety.

Staff Nurse - Operation Theatre:

These nurses are responsible for supervising OR assistants, technicians, and house keeping staff, ensuring the smooth operation of the theatre.

Senior Technician - OT: These technicians have more experience and may be responsible for training junior staff or managing specific areas within the OT.

Anesthesia Technologist: These professionals play a crucial role in managing anesthesia during surgeries, ensuring the appropriate administration of drugs and monitoring the patient's condition.

PHARMACY

DIPLOMA IN PHARMACY (D. PHARM)

Duration : 2 Years + 6 Months Compulsory Internship

Eligibility : Candidates must have passed 10+2 or equivalent with Physics, Chemistry, Biology and/or Mathematics, and English as compulsory subjects. Qualifications equivalent to the above, as approved by the Pharmacy Council of India, are also acceptable.

The Diploma in Pharmacy (D. Pharm) is a foundational programme designed for those who aspire to enter the pharmaceutical industry or pursue pharmacy-related roles. This course provides an in-depth understanding of pharmaceutical sciences and equips students with the essential skills to excel in pharmacy practice. Additionally, D. Pharm holders can pursue higher studies, such as a Bachelor of Pharmacy (B. Pharm), through lateral entry schemes.

Objectives

To provide a strong foundation in pharmaceutical sciences and practices.

To prepare students for diverse roles in the pharmaceutical sector, including retail pharmacy and medical representation.

To offer practical knowledge and experience necessary for pharmacy-related businesses.

To encourage ethical and safe practices in pharmaceutical services.

CAREER OPTIONS AND JOB PROSPECTS

Pharmacist: Work in hospitals, clinics, or community pharmacies dispensing medications and advising patients.

Medical Representative: Represent pharmaceutical companies to healthcare professionals and promote medical products.

Retail Pharmacy: Operate or assist in running a retail pharmacy business.

Further Studies: Pursue a B. Pharm degree via lateral entry for advanced career opportunities.

PHARMACY

BACHELOR OF PHARMACY (B. PHARM)

Duration: 4 Years / 3 Years (Lateral Entry)

Eligibility: Passed 10+2 with English, Physics, Chemistry, and Mathematics (PCM) and/or Biology (PCB/PCMB) with at least 40% marks in any combination (PCM/PCB/PCMB).

Any qualification equivalent to the above, approved by the Pharmacy Council of India.

Candidates who have completed D. Pharmacy with at least 50% marks and PCI approval are eligible for direct admission to the second year of B. Pharmacy (Lateral Entry).

The Bachelor of Pharmacy (B. Pharm) is a comprehensive undergraduate programme designed to prepare students for careers in the pharmaceutical and healthcare industries. This course offers an in-depth understanding of pharmaceuticals, pharmacology, pharmaceutical chemistry, and pharmacognosy.

It serves as a gateway for students aiming to enter the pharmacy sector, equipping them with the knowledge and skills required for diverse roles in public and private sectors. With the growing demand for pharmaceutical professionals globally, the B. Pharm degree is one of the most sought-after programmes in the medical field.

OBJECTIVES

-  To provide foundational and advanced knowledge in pharmaceutical sciences.
-  To prepare students for roles in drug development, quality control, and healthcare delivery.
-  To foster analytical, technical, and research skills in pharmacy practices.
-  To promote ethical and professional standards in the pharmacy sector.

CAREER OPTIONS AND JOB PROSPECTS

Drug Inspector: Oversee the quality, safety, and efficacy of pharmaceuticals.

Hospital Pharmacist: Dispense medications and provide drug-related guidance in healthcare settings.

Clinical Pharmacist: Offer expert advice on drug use and effectiveness in clinical environments.

Pharmacist: Work in government, public, or private sectors managing medication.

Community Pharmacist: Pursue roles in international locations like the Middle East and Europe.

Area/Regional/Zonal Manager: Lead pharmaceutical sales and marketing teams at locations like the Middle East and Europe.

Lecturer: Teach in D. Pharmacy colleges and contribute to academic growth.

Medical Coding Specialist: Work in healthcare documentation and billing.

HUMANITIES

BA PSYCHOLOGY

Duration: 3 Years

Eligibility: Passed 10+2 from a recognised board with at least 50% aggregate marks.

The Bachelor of Arts in Psychology is an undergraduate programme designed to explore the scientific study of human behaviour and mental processes. This course focuses on understanding psychological theories, research methodologies, and their applications in various settings. Students gain insights into cognitive processes, social behaviour, personality, and emotional well-being, preparing them for diverse career opportunities or advanced studies in psychology.

OBJECTIVES

To provide foundational knowledge of psychological concepts and principles.

To develop critical thinking and analytical skills for psychological research.

To foster understanding of mental health, human development, and social behaviour.

To prepare students for careers in counselling, human resources, social services, and related fields.

CAREER OPTIONS AND JOB PROSPECTS

Counsellor: Provide guidance and support to individuals facing emotional and psychological challenges.

Human Resources Specialist: Apply psychological principles to workplace dynamics and employee well-being.

Social Worker: Work in community settings to support vulnerable populations.

Research Assistant: Contribute to academic or clinical research projects.

HUMANITIES

BA TOURISM

Duration: 3 Years

Eligibility: Passed 10+2 from a recognised board with at least 50% aggregate marks.

The Bachelor of Arts in Tourism is an undergraduate programme tailored to meet the demands of the ever-growing travel and tourism industry. The course provides knowledge of tourism management, cultural heritage, sustainable tourism, and global travel trends. Students are equipped with skills to organise, market, and manage travel and tourism-related services, preparing them for exciting careers in a dynamic industry.

OBJECTIVES

To develop an understanding of the global tourism industry.

To foster managerial and communication skills tailored to tourism and hospitality.

To promote knowledge of sustainable tourism and cultural preservation.

To prepare students for roles in tourism management, travel consultancy, and event planning.

CAREER OPTIONS AND JOB PROSPECTS

Tourism Manager: Manage operations in travel agencies, tour companies, and hospitality organisations.

Travel Consultant: Provide travel advice, create itineraries, and assist clients with bookings.

Event Coordinator: Organise events, conferences, and exhibitions within the tourism sector.

Cultural Heritage Specialist: Work with organisations to promote and preserve cultural sites.

HUMANITIES

BACHELOR OF VISUAL ARTS (GRAPHIC DESIGN)

Duration: 3 Years

Eligibility: Passed 10+2 from a recognised board with at least 50% aggregate marks.

The Bachelor of Visual Arts (BVA) in Allied Arts with a focus on Graphic Design is a specialised programme that blends artistic expression with modern design principles. It is designed to cultivate students' creative abilities while equipping them with practical skills in graphic design. The curriculum encompasses visual storytelling, branding, digital tools, and contemporary design methodologies, fostering a comprehensive understanding of the artistic and commercial aspects of graphic design.

OBJECTIVES

To nurture creativity and technical proficiency in visual arts and design.

To provide hands-on experience with advanced graphic design tools and technologies.

To develop an understanding of the relationship between art, business, and communication.

To prepare students for dynamic roles in visual media, advertising, and branding.

CAREER OPTIONS AND JOB PROSPECTS

Graphic Designer: Create impactful visual designs for brands, advertisements, and media platforms.

Art Director: Oversee creative projects and lead design teams in various industries.

Brand Strategist: Develop innovative branding campaigns and visual identities.

Digital Illustrator: Craft illustrations for digital and print media, including books and advertisements.

MANAGEMENT

BACHELOR OF BUSINESS ADMINISTRATION (BBA)

Duration: 3 Years and 1 Year Internship
Eligibility: Passed 10+2 with English as a subject.

The Bachelor of Business Administration (BBA) is a professional undergraduate programme designed to provide students with a strong foundation in business and management principles. This course prepares students for diverse career opportunities in industries such as government, education, marketing, finance, and sales. By imparting practical and theoretical knowledge, the BBA programme equips students with leadership and management skills, essential for thriving in today's dynamic business environment.

The curriculum is tailored to enhance students' understanding of business operations, organisational behaviour, and decision-making processes. It also serves as a stepping stone for advanced studies, such as an MBA or other postgraduate programmes.

OBJECTIVES

To develop core business and management skills.

To foster leadership qualities and entrepreneurial thinking.

To provide practical exposure through internships and hands-on projects.

To enhance analytical and problem-solving capabilities for real-world challenges.

CAREER OPTIONS AND JOB PROSPECTS

BBA graduates have access to a wide range of career opportunities in various domains. Some of the key roles include:

Human Resource Manager: Oversee recruitment, employee relations, and organisational development.

Business Consultant: Provide strategic advice to improve organisational performance.

Marketing Manager: Plan and execute marketing strategies to drive business growth.

Risk Manager: Identify and mitigate potential business risks.

Financial Analyst: Analyse financial data to assist in business decision-making.

COMMERCE

BACHELOR OF COMMERCE (B.Com)

Duration: 3 Years and 1 Year Internship
Eligibility: Passed 10+2 with English as a subject.

The Bachelor of Commerce (B.Com) is a three-year undergraduate degree programme that provides a comprehensive understanding of commerce and business-related disciplines. Recognised by the University Grants Commission (UGC), this course is one of the most sought-after programmes for students after Class 12.

Through its six-semester structure, the B.Com curriculum covers a broad range of core subjects, including Financial Accounting, Business Laws, Economics, Taxation, Auditing, and Cost Accounting. Additionally, students may have the flexibility to choose elective subjects in certain semesters, allowing them to tailor their studies to their career aspirations.

This degree serves as an excellent foundation for those aiming to pursue professional certifications such as Chartered Accountancy (CA), Company Secretaryship (CS), or Cost and Management Accountancy (CMA). It also opens doors to lucrative opportunities in the banking, finance, and business sectors.

OBJECTIVES

To provide in-depth knowledge of commerce and business principles.

To develop skills in financial management, taxation, and auditing.

To prepare students for careers in finance, banking, and corporate management.

To encourage critical thinking and problem-solving for business scenarios.

CAREER OPTIONS AND JOB PROSPECTS

Graduates of the B.Com programme can explore diverse career paths, including:

Bank Manager: Manage banking operations and customer relations.

Accounts Officer: Oversee financial records and ensure compliance with regulations.

Accounts Manager: Manage an organisation's accounting functions.

Marketing Manager: Develop and implement marketing strategies.

Sales Associate: Engage in client interactions and sales strategies.

Teacher: Impart knowledge in commerce and related subjects.

SCIENCE

BACHELOR OF COMPUTER APPLICATIONS (BCA)

Duration: 3 Years

Eligibility: Passed 10+2 with Mathematics as a compulsory subject.

The Bachelor of Computer Applications (BCA) is a three-year undergraduate degree that equips students with essential knowledge and skills in computer applications, software development, and IT management. This programme is ideal for individuals who wish to pursue a career in the fast-evolving field of information technology.

The BCA curriculum includes subjects such as Programming Languages, Database Management Systems, Software Engineering, Networking, Web Development, and Operating Systems. The course also focuses on enhancing problem-solving and analytical thinking skills. Students are encouraged to gain hands-on experience through practical projects, internships, and workshops, which are crucial for bridging the gap between theoretical learning and real-world applications.

This course also serves as a stepping stone for pursuing higher education like MCA (Master of Computer Applications).

OBJECTIVES

To develop a solid foundation in computer programming and applications.

To prepare students for the challenges of the IT industry.

To enhance problem-solving, analytical, and technical skills.

To equip students with knowledge of modern software and tools used in computer applications.

CAREER OPTIONS AND JOB PROSPECTS

BCA graduates have a wide range of career opportunities in the IT sector, including:

Software Developer: Design and develop software applications.

Web Developer: Create and maintain websites and web applications.

System Analyst: Analyze and improve computer systems for businesses.

Network Administrator: Manage and support an organization's computer network.

Database Administrator: Oversee and maintain databases for organizations.

IT Consultant: Advise businesses on IT solutions and strategies.

DIPLOMA

PG DIPLOMA IN BUSINESS ADMINISTRATION (PGDBA)

Duration: 1 year

Eligibility:

- A Bachelor's degree in any discipline from a recognized university.
- Professionals with work experience are also eligible for this program.

The PG Diploma in Business Administration (PGDBA) is a comprehensive program designed for individuals who wish to advance their careers in business management. This one-year program provides students with advanced knowledge and practical skills in key business areas, including management, marketing, finance, human resources, and operations.

The course curriculum is designed to equip students with the critical thinking, problem-solving, and leadership abilities required to excel in today's fast-paced and competitive business environment. Whether you are looking to enhance your skills or transition into a managerial role, the PGDBA program is tailored to meet the demands of both aspiring entrepreneurs and experienced professionals.

OBJECTIVES

To provide in-depth knowledge of business concepts, practices, and strategies.

To develop leadership and managerial skills to enable students to take on key roles in business management.

To offer practical exposure to business operations through case studies, industry visits, and interactive learning.

To build a strong foundation in areas such as marketing, finance, human resource management, and strategic decision-

To prepare students for senior management roles by focusing on both technical and soft skills, such as communication and team management.

CAREER OPTIONS AND JOB PROSPECTS

Graduates of the PG Diploma in Business Administration (PGDBA) can pursue a wide range of career opportunities in various industries. Some of the potential job roles include:

- Business Manager
- Marketing Manager
- Operations Manager
- Human Resources Manager
- Financial Analyst
- Product Manager
- Project Manager
- Management Consultant
- Entrepreneur
- Sales and Business Development Manager

BACHELOR OF HOTEL MANAGEMENT (VOC)

Duration: 3 Years

Eligibility: Completion of 10+2 or equivalent from a recognized board.

A passion for hospitality and a strong desire to work in a customer-focused environment.

The Bachelor in Hotel Management (VOC) at Athena Group of Institutions is designed to prepare students for a successful career in the dynamic world of hospitality. This program combines practical knowledge and theoretical concepts to provide students with a well-rounded understanding of hotel management and related fields.

Students will explore key areas such as hotel operations, food and beverage management, front office operations, event management, and hospitality law. With a strong emphasis on customer service, quality management, and industry trends, the program equips graduates with the skills needed to succeed in the hospitality industry.

OBJECTIVES

To develop professionals capable of managing all aspects of hotel operations.

To enhance leadership and management skills to take on roles of responsibility in the hospitality industry.

To provide practical experience through internships and hands-on training in real-world hospitality settings.

To foster communication, teamwork, and interpersonal skills essential for working in a customer-centric industry.

To equip students with the knowledge of hospitality industry trends, customer service excellence, and operational efficiency.

Career Options and Job Prospects

Graduates of the Bachelor in Hotel Management (VOC) program can pursue various career paths in the hospitality industry, both in India and internationally. Potential job opportunities include:

- Hotel Manager
- Restaurant Manager
- Event Planner/Coordinator
- Guest Services Manager
- Food and Beverage Manager
- Front Desk Manager
- Travel and Tourism Manager
- Cruise Line Manager
- Sales and Marketing Manager in Hospitality
- Chef / Kitchen Manager
- Hotel and Resort Operations Manager

With the booming hospitality industry, career prospects are abundant, and graduates can expect rewarding roles with ample opportunities for growth, travel, and career advancement.

PARENT HOSPITAL

Welcome to Abhayahasta Multispeciality Hospital

Abhayahasta comes with state-of-the-art world class facilities and is multispecialty hospital situated in the heart of Bangalore. Abhayahasta Hospitals is the dream initiative of a group of highly skilled and experienced doctors, trained not just in India but across the globe, who came together with a shared vision—to create a healthcare institution that prioritizes patients over profits, quality over compromise, and healing over mere treatment.

This philosophy forms the foundation of Abhayahasta Hospitals, where medical expertise, advanced technology, and compassionate care come together to deliver world-class healthcare with a human touch.

We are a 100 bedded tertiary care hospital with 18 ICU beds, 6 operation theatres, Advanced Molecular laboratory with 24/7 pharmacies. We have a 25 bedded dialysis unit which the largest in East Bengaluru. Our Out patient department caters to more than 300 walk-in patients everyday.

ATHENA'S PHYSIO CENTRE

Athena Group of Institutions is proud to introduce Athena's Physio Centre, a state-of-the-art physiotherapy clinic dedicated to providing top-tier rehabilitation and wellness services. Our mission is to promote recovery, enhance mobility, and improve overall well-being through expert physiotherapy care.

Understanding the diverse needs and schedules of our students, faculty, and the wider community, Athena's Physio Centre offers flexible consultation hours to ensure accessibility and convenience. Staffed by highly qualified and experienced physiotherapists, we provide individualised treatment plans tailored to each patient's unique needs.

Our Services

Musculoskeletal Physiotherapy

- Treatment for orthopaedic injuries and disorders
- Management of degenerative conditions
- Post-surgical rehabilitation
- Pain relief and mobility enhancement

Neurological Physiotherapy

- Stroke and spinal cord injury rehabilitation
- Treatment for traumatic brain injuries (TBI)
- Neuromuscular disorder management

Sports Physiotherapy

- Injury assessment and diagnosis
- Personalised rehabilitation plans
- Performance enhancement for athletes

Cardiovascular & Pulmonary Physiotherapy

- Pulmonary rehabilitation programs
- Breathing techniques and airway clearance therapy
- Exercise prescription for improved heart and lung health

Key Facilities & Specialities

Dedicated One-on-One Treatment

We believe in providing focused attention to every patient. Each session is conducted in a personalised, distraction-free environment, ensuring that your recovery journey is as efficient and effective as possible.

Tailored Care Plans for Every Patient

No two individuals are the same, and neither are their physiotherapy needs. Our experts assess your condition thoroughly and design customised treatment plans that cater to your specific health goals, ensuring optimal results.

Cutting-Edge Technology & Advanced Techniques

Our centre is equipped with state-of-the-art rehabilitation tools and modern physiotherapy techniques, ensuring faster recovery and better results. From ultrasound therapy to electrotherapy and advanced mobility aids, we provide the best in physiotherapy care.

A Team of Highly Specialised Physiotherapists

Our expert physiotherapists bring years of experience and specialised training in various fields, including orthopaedics, neurology, sports rehabilitation, and geriatric care. They are committed to helping you regain strength, mobility, and confidence.

Comprehensive & Holistic Care Plans

At Athena's Physio Centre, we don't just treat symptoms—we address the root cause of discomfort. Our holistic approach combines manual therapy, therapeutic exercises, lifestyle guidance, and patient education to promote long-term well-being.

Flexible Appointments & Extended Hours

We understand the busy schedules of students, faculty, and working professionals. That's why our centre offers extended evening hours, making it easier for you to prioritise your health without disrupting your daily routine.

Pain Management & Mobility Restoration

Whether recovering from an injury, surgery, or a chronic condition, our specialised rehabilitation programs focus on relieving pain, restoring mobility, and enhancing functional independence.

Comfortable & Well-Equipped Therapy Environment

Designed to promote healing and relaxation, our clinic features spacious treatment areas, a dedicated rehabilitation zone, and a supportive atmosphere to enhance patient comfort and recovery.

Clinical Facilities

Nursing: Opportunities are also provided to students to visit various Health & Social Community centers for their learning experience. The college has a parent hospital and affiliated to many general & super speciality hospitals like:

Cultural Activities

Republic Day Celebration

The Republic Day celebration at Athena in 2024 was a memorable event. Students and faculty came together to hoist the national flag, followed by patriotic performances and inspiring speeches. The day instilled a renewed sense of unity and pride in the democratic values of our nation.

Holi Celebration

Holi was celebrated with great enthusiasm as the campus turned into a vibrant canvas of colours. Students and faculty participated in the joyous festivities, spreading positivity and strengthening bonds within the Athena family.

Lamp Lighting Ceremony

The Lamp Lighting Ceremony was a significant milestone for the nursing students in 2024. With candles lit, they recited the Florence Nightingale Pledge, marking their formal initiation into the noble profession of nursing. The ceremony was filled with pride and hope for the future.

Eid Celebration

Eid was celebrated with warmth and togetherness in 2024. The festivities included prayers, sharing traditional dishes, and cultural activities. The event highlighted the spirit of gratitude and unity among the students and staff.

Nurses Day

Nurses Day was celebrated to honour the dedication and hard work of nurses. The event included seminars, speeches, and awards that recognised the contributions of nursing students and professionals. It was an inspiring day for everyone in attendance.

Graduation Day Ceremony

The Graduation Day Ceremony in 2024 was a proud moment for graduates, their families, and faculty. Degrees were conferred upon students as they prepared to embark on their professional journeys. Heartfelt speeches and joyous moments made the ceremony truly special.

Independence Day Celebration

The Independence Day celebration was held with great enthusiasm. The national flag was hoisted, followed by cultural programmes that showcased India's rich heritage. Students performed patriotic skits, dances, and songs, paying tribute to the sacrifices of our freedom fighters.

Gandhi Jayanti Celebration

On Gandhi Jayanti, the Athena community honoured the values of Mahatma Gandhi through various activities. Cleanliness drives, inspirational speeches, and skits highlighted the importance of truth, non-violence, and simplicity.

Dussehra Celebration

The Dussehra celebration was another significant cultural event. The triumph of good over evil was depicted through skits, traditional dances, and a depiction of the victory of Lord Rama over Ravana. This festival not only celebrated the cultural richness of India but also reinforced the values of integrity and righteousness.

Diwali Celebration

The Diwali celebration in 2024 was a vibrant affair. The campus was illuminated with diyas and adorned with rangoli designs. Students participated in cultural events and enjoyed the festive spirit, making the day unforgettable.

Christmas Celebration

Christmas was celebrated with joy and warmth. The campus was beautifully decorated with a Christmas tree, and carols filled the air. Students and faculty exchanged gifts, enjoyed festive treats, and celebrated the spirit of giving and togetherness.

TESTIMONIALS

Ms. Munna Rai

"I am incredibly grateful for the abet and guidance I received from Athena institute of nursing. Their dedicated career services team played a crucial role in helping me secure a position in the nursing field. The practical training and mentorship I received from Abhayastha multi-specialty hospital during my time prepared me for the real-world challenges. I owe my successful placement to the valuable education and unwavering support from Athens family."

It is an honor to be a student of Athena Institute of Nursing, where I received adequate theory and practical knowledge in the field of nursing. The college provided us with good clinical facilities in hospitals like East Point, Abhayastha Multi-specialty hospital and Prime care, which gave excellent exposure and helped us to provide hands on care. I am grateful to the principal and staff for their constant support and guidance.

Ms. Krithanjali Gurung

"I am proud to be a graduate of Athena institute of nursing. The comprehensive curriculum and hands-on clinical experiences prepared me well for the challenges that lied ahead on my path. The guidance and support from the nursing faculty were invaluable. With the assistance of the institutes career services, I secured a nursing position shortly after graduation. I am grateful for the education and opportunities that have set the foundation for my fulfilling career in nursing."

Ms. Shivangi Gurung

"Grateful for Athena institute of nursing 's nursing program that shaped my career. Real-world simulations and dedicated faculty made all the difference. The seamless transition to my dream nursing position was possible with Athena institute of nursing's effective career placement services."

Ms. Anita

"Studying nursing was an enriching and fulfilling journey. The program not only equipped me with the necessary skills but also nurtured a passion for patient care in me. The dedicated nursing faculty and state-of-the-art facilities enhanced my learning experience. Through Athena institute of nursing's career placement services, I secured a noble position in a community healthcare setting. I am grateful for the opportunities Abhayastha multi-specialty hospital and Athens family provided me, and I am excited to contribute to the field of nursing."
